

I have 2 pages success page and another welcome page.

It's for registering in game application

our working model is like fill the form ,submit the request ,get the SMS notification(success) and the bonus and rewards information and congratulation text.

in welcome page I wanted to describe our company ,offers benefits and our new games hot games and popular games , in success page I want to define the costumer our all the offer and success text in web which should be interesting for the viewers .

I have success SMS something like this "Thanks for playing with Noor-games. we will send you \$20 in-game every month as a loyal customer and should play a minimum of \$10.Enjoy your games."

And after form submission is

Welcome on board to Noor game room!! We have send you the conformation text .We will give you a month-to-month reward from us. Good Luck!!!

Need pretty interesting words and small 2 to 3 line paragraphs, Headings Which motivates visitor to pay and play games with us I have send you the pictures below and info below
company name: noorgame

I wanted to give minimum reading time to our viewers to understand all the benefits that we have in welcome page.page will not go down only one sections i will put content in the graphical format in webpage.

what you have to do

Create me contents....

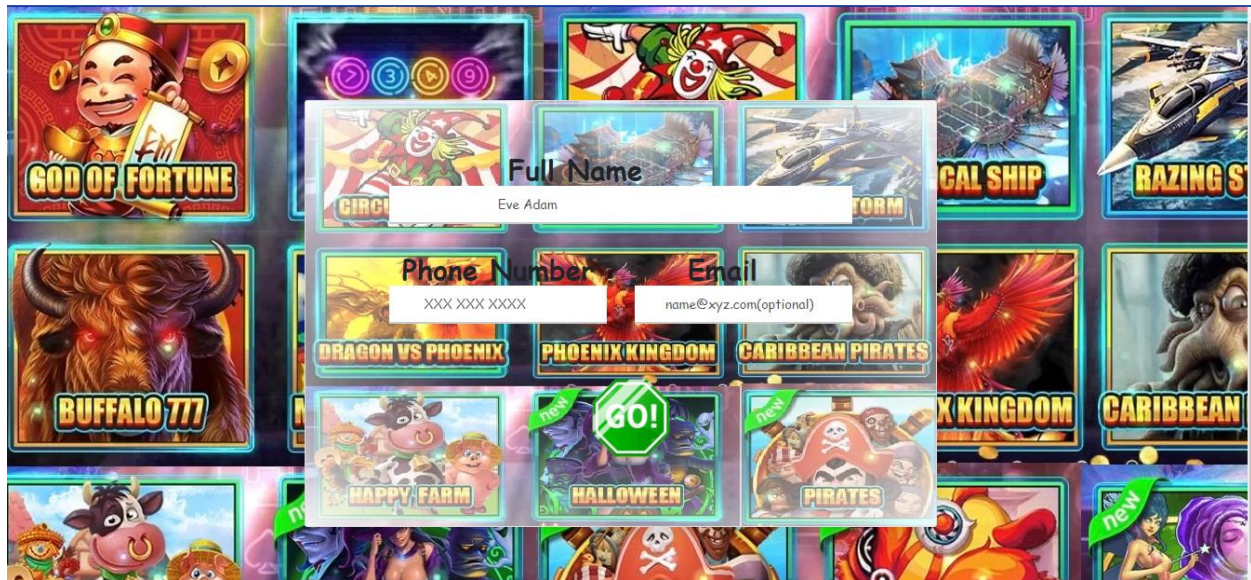

1 Describe our company ,our offers ,and benefits to be with us for home page

2 make me a SMS text template (not more than 60 characters) and monthly notification templates

3 make the success page content as shown in the last page

4 add some more interesting words and interesting lines for my application from starting to the success page. Should encourage people to join and pay us .make it rich in beautiful and attractive words and lines

home page

Success page

This is similar to this kind of services we are giving to our costumers .
